Dear Owner/Manager:

The South Suburban Special Recreation Association (SSSRA) provides therapeutic recreation programs for residents with disabilities, in the south suburban area.

We are requesting the support of local businesses for the upcoming **5th Annual Ricky's Ride** Fundraiser that is sponsored by local community members. The event will be held on Sunday, **September 25, 2011**. Proceeds from the event will go directly to the provision of program services, which include sports & fitness, cultural arts, social clubs, and special events.

SSSRA is also delegating funds to the SSSRA **Scholarship** program, to help families who are having financial difficulties.

During our 2009-2010 year, the association served over **2200** individuals, ages two through adult, with a variety of disabilities, such as physical disabilities, mental handicaps, learning disabilities, emotional difficulties, visual or hearing impairments, and/or developmental delays. Our programs help foster socialization, improve gross and fine motor skills and make a positive impact on participant's lives.

Your support would assist us in furthering our mission, which is ***"to promote the power of choice and to enhance the quality of life of individuals of all abilities, by providing accessible recreation in an environment that promotes dignity, success and fun."***

Thank you for your consideration.

Sincerely yours,

Lisa K. Drzewiecki
Superintendent
